

Graduate Certificate in Leadership

Learn, Lead, Inspire

The Graduate Certificate in Leadership online program is a contemporary leadership course designed to help you develop a new set of knowledge, skills and capabilities to lead and manage in emerging and complex contexts.

In response to current research in this area, the critical focus of this course is to build individual and organisational capabilities for transformational and strategic leadership.

Benefits of the **Graduate Certificate in Leadership**

- Online learning environment giving you flexibility and access to a collaborative learning community
- Strong theoretical foundation in contemporary leadership and the opportunity to develop expertise in a practice-based learning environment
- The **Graduate Certificate in Leadership** has been developed in consultation with experts in the industry to build personal and organisation capabilities for 21st century leaders
- Completion of the **Graduate Certificate in Leadership** may enable you to apply for entry into a range of Higher Education courses including related Masters programs

Graduate Certificate in Leadership requires six months full-time study or one year part-time study and is a program of study specifically about the leadership discipline. Graduates of the program will be equipped with the knowledge to be able to work in a range of leadership and management roles.

Flexible online delivery means that you can study at home from anywhere in Australia.
